

Canberra Grove

Available at the Sanctuary Creek memorial garden in the grounds of Gungahlin Cemetery.

The Canberra Grove can accommodate up to 14 interments. You can choose between individual, double, interments, or a family lot. There are discounted rates for a family Canberra Grove.

The 'tree' design of the Canberra Grove offers 7 'branches' and is available in a range of colours. The 'crown' of the Canberra Grove also comes in a range of designs, including Telstra Tower, the Gang-Gang Cockatoo, and the floral emblem of the ACT, the bluebell.

The Canberra Grove is available in standard or waterfront locations.

We may be able to offer 'companion' allotments, depending on availability, if you do not require all 7 allotments.

Interments can take place 7 days a week. You can also choose to hold a service or gathering in the Sanctuary Creek memorial garden at the time of interment.

Plantings and flowers

The horticulturalists at Canberra Memorial Parks are responsible for maintenance, landscaping and plantings. Individual plantings by families are not permitted and will be removed. However, you are welcome to leave fresh flowers at the memorial.

Keepsakes and trinkets

As interments in a Canberra Grove are available in double allotments, keepsakes or trinkets can be placed in the allotment space if only a single interment is required. However, these would need to be removed if you wish to use the second interment space.

Reserving an allotment

You can reserve a double allotment or multiple allotments. Payment for allotments must be received in full. You do not need to pay the plaque fees to reserve an allotment.

Choosing a plaque

A bronze plaque is available for interments at a Canberra Grove. You can choose from a range of colours, fonts and motifs for the plaque.

You can arrange and pay for the plaque at a later time. Please feel free to take time to choose your desired wording and plaque design.
