

Dedication Seat

Available at Gungahlin, Woden and Hall Cemeteries, a dedication seat is a perpetual memorial which features a personalised plaque.

There are two options for purchasing a Dedication Seat. You can purchase an existing seat that is already installed within the cemetery grounds, or you can purchase a new seat and have it installed in your preferred location within the cemetery grounds.

The preferred position site will need to be assessed and approved by Canberra Memorial Parks.

It may be possible to have more than one plaque installed on the seat. The option for an additional plaque would need to be discussed with Canberra Memorial Parks and additional costs would be applicable.

Canberra Memorial Parks discourages any placement of personal, valuable, or sentimental items on the seat or in the surrounding area.
