

Remembrance Beam

Available at the Sanctuary Creek memorial garden in the grounds of Gungahlin Cemetery.

The Remembrance Beam is a tapered granite beam that can accommodate up to 6 interments. It is available in both standard and waterfront locations.

You can choose to purchase a family beam or individual allotments. There are discounted rates for family beams.

You can also choose to add a family name plaque to the head of the beam.

We may be able to offer additional companion allotments, depending on availability, if you do not require all 6 allotments.

Interments can take place 7 days a week. You can also choose to hold a service or gathering may be held in the Sanctuary Creek memorial garden at the time of interment.

Plantings and flowers

The horticulturalists at Canberra Memorial Parks are responsible for maintenance, landscaping and plantings. Individual plantings by families are not permitted and will be removed. However, you are welcome to leave fresh flowers at the memorial.

Keepsakes and trinkets

Remembrance Beams are designed for the interment of cremated remains only. Other memorial options within Sanctuary Creek may allow the interment of keepsakes and trinkets, depending on your requirements. Please ask us about other memorial options if you wish to inter keepsakes or trinkets with your loved one.

Reserving an allotment

You can reserve a single allotment or multiple allotments. Payment for allotments must be received in full. You do not need to pay the plaque fees to reserve an allotment.

Choosing a plaque

You can add a bronze plaque to your Remembrance Beam. You can choose from a range of colours, fonts and motifs for the plaque.

You can arrange and pay for the plaque at a later time. Please feel free to take time to choose your desired wording and plaque design.
